While the franchise has sold 2.2 million copies over the last decade, the original Grandia is worth revisiting because the game retains its vast sense of exploration and wonder.. The battle system in Grandia is truly astounding and is what has cemented the game as a classic.. The characters can counter or disrupt enemy attacks, which is a gameplay experience that to this day stands out as fresh and compelling.. This is a timeless game that can be appreciated by players young and old, casual and hardcore, and it is now available for download on the PlayStation®3 and PSP® from US PlayStation®Store's Game Archives.. Originally released over 10 years ago for the PSOne®, Grandia is one of the most critically acclaimed games of all time and was widely influential on the progression of the RPG genre.
