It will be free for all users I am having almost this exact same issue, I have an old MacBook Pro that I have previously had El Capitan installed on.

It's coming this fall, and there will be a public beta beginning sometime in July.. Jul 28, 2015 OS X El Capitan is a gamers OS, see how well you can play CoD MW2 from Steam on a MacBook Pro 13' with Retina.. The hard drive has gone funny and now I need to re-install El Capitan But the only other Mac I have is an iMac, and I cannot seem to legitimately find a way to download El Capitan..
